You and your skater will follow the same structured CanSkate session as the other skaters. The purpose of this session is to give the young skaters a few sessions with their parents to get comfortable skating, then join the class on their own. The adult will also need to purchase a Skate Canada membership for their insurance on the ice (\$58.65). If the skater is able to be integrated into the regular CanSkate program before the 4th session, the Parent's insurance will be refunded.
