Junior Prep Summer Program - 6 weeks July 5th-August 13th 2021

We are excited to offer our Junior Prep & Junior Academy programs this summer!

This summer the **Junior Prep and Junior Academy group program** will be offered on weeks 1 thru 6. The fee for these group programs is \$160.00 for each 5-day week and \$128 for each 4-day week. This fee covers ice (1 x 45-minute ice session per day), daily group coaching instruction, and a daily off-ice class (1 x 30-minute class per day). The exact session times will be determined based on enrollment but will be scheduled between 9:00AM to 11:30AM.

Additionally, skaters at the Junior Prep/Junior Academy level will be offered the opportunity to **purchase additional ice time** for private or semi-private lessons with a member of the Skate Regina coaching staff. The cost of the additional ice session is \$100.00 per 5 day week (1 x 45-minute session per day) and \$80.00 per 4 day week (1 x 45-minute session per day). This cost is for ice time only, skaters choosing to buy additional ice time are billed directly for lessons by the coach at the coach's specific lesson rate.

Prior to registering for these additional sessions, please verify lesson availability with the Skate Regina coach of your choice or with the Skate Regina Skating Director (Vicki Schultz) to ensure the coach can accommodate your lesson request. Depending on the total number of skaters on the additional ice sessions, it may be a requirement that your skater is in a lesson for the duration of the additional ice session (45 minutes) due to safety. This will be at the discretion of the Summer Skating Directors. If you need help choosing a coach, we are happy to assist you. To register for the additional sessions, please visit our website at: <https://www.skater Regina.ca/>. If you have any other questions please email Vicki Schultz at: vickischultz@me.com
