

Skate Regina has transitioned from paper to online report cards. This feature allows you to see your skater's progress in real time throughout the seasons. **For the final session of each season, your skater's progress will be published with personalized comments from the coaches.**

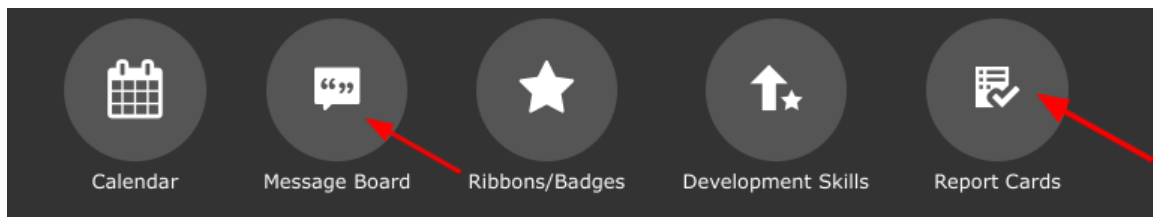

Sessions that will have online progress tracking include: Parent Assisted CanSkate, Pre-CanSkate, CanSkate, Jr Prep, and Pre-Power.

❖ To view "Report Cards"

- Login to your account on [www.skater Regina.ca](http://www.skater Regina.ca)
- Click on your name in the top right corner to access "My Account"
- Select "Participants" and choose the skater that you wish to view evaluations for. This will bring up their individual profile.

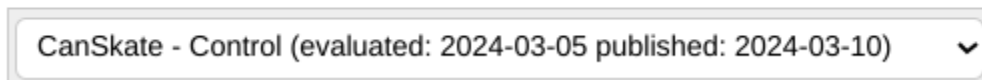

- Select "Report Cards"

- To select a report card, use the drop-down box to filter a specific evaluation. It is best to sort by each fundamental to view their progress (Balance, Control, Agility). Check marks completed in the program will appear next to the skills.

## Participant Report Cards

❖ To view "Coach Comments"

- Under your skater's profile, click on "Message Board" (pictured above)
- You will see general updates and messages from Skate Regina and you will see personalized comments from your skater's coach.
