CanSkate

For ages 3+ working on stages 1 to 4 of the CanSkate program. This is a group program that focuses on basic skating skills and fundamental movements such as how to go forward, go backward, stop, turn, spin and jump. This program emphasizes fun and continuous movement, giving the best foundation for all ice sports such as figure skating, hockey, ringette, speed skating or recreational skating.

Parent Assisted CanSkate

For ages 2-5 or for those who need more assistance on the ice. This program allows the skater to go on the ice with a parent/guardian that will also have skates on. You and your skater will follow the same structured CanSkate session as the other skaters. The purpose of this session is to give the young skaters a few sessions with their parents to get comfortable skating. The adult will also need to purchase a Skate Canada membership for their insurance on the ice (\$58.65). If the skater is able to be integrated into the regular CanSkate program before the 4th session, the Parent's insurance will be refunded.

Pre-Power

Geared towards young skaters ages 4-8 interested in hockey or ringette. This program helps develop basic skating abilities in a power skating-specific environment, including balance skills, forward and backward skating, stopping, turning and agility skills. Skaters must wear full equipment, including sticks and helmet with a cage.

This is also an excellent program for skaters wanting to do hockey or ringette who are looking to improve their skating.

Junior Academy

A group program that teaches introductory figure skating skills to young skaters who show potential to excel in competitive figure skating. **Entrance to our Junior Academy program is by invitation only** and skaters must register for 2 sessions per week. Skaters will be talent identified and selected from CanSkate.

STAR 1-6 Open

These sessions are a great way to offer private lessons to those registered and allow younger STAR 1-6 skaters to skate earlier in the evening. The Junior Star off-ice is optional for those registered, but highly encouraged. Registration for the off-ice can be completed separately.
