

Thank you for registering with Skate Regina! This is the fourth year Skate Regina is providing many different fundraising options for our members to choose from in our winter seasons. We have made some slight changes from last year, based on feedback from our members. These commitments will apply for the entire winter season (October to March).

- Group Program & Recreational Skaters (Parent Assist, Pre-CanSkate/CanSkate, Pre-Power, Power, Jr Prep, Junior Academy, and Adult) are required to complete **one** fundraiser EACH. **Members with multiple skaters in recreational programs will have a family maximum of two fundraisers.**
- STAR Skaters (any skaters registered in a private lesson session) are required to complete **two** fundraisers EACH. **Members with multiple skaters who have at least 1 STAR Skater will have a family maximum of three fundraisers.**

| | |
|--|---------------|
| Family with 1 Recreational Skater | 1 Fundraiser |
| Family with 2 Recreational Skaters | 2 Fundraisers |
| Family with 3+ Recreational Skaters | 2 Fundraisers |
| Family with 1 STAR Skater | 2 Fundraisers |
| Family with 2 STAR Skaters | 3 Fundraisers |
| Family with 1 Recreational and 1 STAR Skater | 3 Fundraisers |
| Family with 2+ Recreational and 1+ STAR Skater | 3 Fundraisers |

** There is an opportunity to earn credits on your account for additional fundraisers completed outside your required commitment. For each additional fundraiser, you will **earn a \$30 Account Credit** to use towards future invoices. You will be asked on the checkout page if you wish to be contacted about the additional fundraisers. There is no limit to the number of additional fundraisers you can complete. **

➤ **How to select your fundraisers:**

On the check-out screen of our registration page, the system will apply a \$40 fundraising fee per skater. The maximum amount you will pay for the fundraisers during registration is \$80. If you register 3+ skaters, you will see a rebate on your invoice for the additional fundraising fees.

You will be required to select if you would like to fundraise to earn your \$40 fundraising fee back. If you choose to fundraise, you will receive information on all of the fundraisers. If you choose not to fundraise, you will not receive emails, but all the fundraising information will be included in weekly emails so you can still decide to participate in a fundraiser.

If you are required to complete three fundraisers, Skate Regina will contact you directly to determine your third fundraising choice.

➤ **What happens to the \$40 fundraising fees if you participate in a fundraiser?**

This \$40 fee will be used towards the total cost of your fundraiser choice. You will be required to pay the remainder once the fundraiser is ready to start in order to collect your product or tickets for the fundraiser. For skaters who are required to complete multiple fundraisers, this \$40 will be put towards the final fundraiser. If the \$40 cannot be applied to the fundraiser in advance, the \$40 will be refunded back to your credit card upon completion of the fundraiser(s).

➤ **Fundraising Opportunities:**

Option 1 – Chocolate Almonds (October/November):

This fundraiser will take place near the end of October and beginning of November. To meet the fundraising commitment, a skater will need to sell one case of chocolate almonds. Each case has 30 boxes that will be sold for \$3.00/each. The total cost of the case is \$90.00.

A fundraising committee member will contact you near the end of October to see if you would like to participate and how many cases you would like to sell. Once you confirm your order, you will receive an invoice from the registration system for \$90.00/case. The fundraising fee will be used toward this purchase, if applicable, so you may receive an invoice for only \$50.00 for 1 case. The remaining balance must be paid in full before picking up the almonds. The orders will be placed together for all of Skate Regina and there will be a scheduled pick-up day. Since the case is prepaid, you keep the money from the sold almonds.

Option 2 – Online Dieleman Catalogue (November/December):

Dieleman is a Canadian Company that has many fundraisers for schools and other organizations. It has a large variety of products. You can check out their website at <https://dfscanada.com/fundraising-programs/> (click on the Fundraising Tab to view the catalogue). Orders will be placed in late November to ensure delivery by Christmas. To meet this fundraising commitment, you must sell \$100 worth of product.

A fundraising committee member will contact you in November to see if you would like to participate and provide the ordering information. All orders will be placed online with a scheduled pick-up in December. Once Skate Regina's order has been completed, the \$40.00 fundraising commitment will be refunded back to your credit card, if applicable.

Option 3 – Skate Saskatchewan Lottery Book (November to January):

This Fundraiser is a way to help our Skate Saskatchewan Section as well as Skate Regina. This fundraiser will be completed near the end of January as all lottery books need to be collected and returned to our section office. Each lottery book is worth \$100 (ticket books contain 20 tickets at \$5.00/ticket).

A fundraising committee member will contact you to see if you would like to participate and to determine how many lottery books you want to purchase. Once you confirm your order, you will receive an invoice from the registration system for the total cost of the books. Once the invoice is paid online, a pickup day will be arranged. Since the ticket book is pre-paid, only the sold ticket book will need to be returned to Skate Regina and you keep the money from the ticket sales.

Once the ticket book is completed and returned, the \$40 fundraising commitment fee will be refunded to your credit card, if applicable. If the ticket book becomes lost, the fundraising fee will not be returned as Skate Regina is invoiced from Skate Saskatchewan for any lost books.

Option 4 – Online Mom's Pantry (January/February):

Mom's Pantry is a Canadian Company that has many fundraisers for schools and other organizations. It has a large variety of products. You can check out their website at <https://www.momspantry.ca/> for more information on their products. Orders will be placed in late January/early February. To meet this fundraising commitment, you must sell \$150 worth of product.

A fundraising committee member will contact you in January to see if you would like to participate and provide the ordering information. All orders will be placed online with a schedule pickup in February. Once Skate Regina's order has been completed, the \$40.00 fundraising commitment will be refunded back to your credit card, if applicable.

Option 5 – Cowboy Cavier Beef Jerky (February):

This fundraiser is supplied by a local company in Moose Jaw. To meet the fundraising commitment, a skater will need to sell one case of beef jerky which includes 10 packages (170 grams each) – 2 of each flavour (original, peppered, candy, teriyaki, and hot 'n sweet). Each case costs \$120 and each package of jerky would be sold for \$12.00.

A fundraising committee member will contact you in January to see if you would like to participate and how many cases you would like to sell. Once you confirm your order, you will receive an invoice from the registration system for \$120.00/case. The fundraising fee will be used toward this purchase, if applicable, so you may receive an invoice for only \$80.00 for 1 case. The remaining balance must be paid in full before picking up the jerky on the scheduled pick-up day. Since the case is prepaid, you keep the money from the sold jerky.

Option 6 – Ukrainian Co-op (March):

This Fundraiser will take place in March. To meet this fundraising commitment, a skater will need to sell \$200 worth of product.

A fundraising committee member will contact you in March to see if you would like to participate and provide the ordering information and details on pick-up/delivery. Once Skate Regina's order has been paid for, the \$40.00 fundraising commitment will be refunded back to your credit card, if applicable.

Option 7 – Growing Smiles Plants

Since this is a new fundraiser, once we have more information on the products and the amount needed to order, we will send it out to those members wanting to fundraise. A fundraising committee member will contact you in March to see if you would like to participate and provide the ordering information and details on pick-up/delivery. Since this is a new fundraiser, once we have more information on the products and the amount needed to order, we will send it out to those members wanting to fundraise. Once Skate Regina's order has been paid for, the \$40.00 fundraising commitment will be refunded back to your credit card, if applicable.

Option 8 – No Fundraising: \$40.00 Buy Out: (Only 1 Buy-out allowed per StarSkater)

Skate Regina understands that it can be difficult with schedules and other activities to make fundraising options work. We are offering the buy out as an option for those busy families. You will choose this option when you decide not to fundraise on your registration. You will not be contacted by a fundraising committee member for this option. The \$40 fundraising fee applied on the invoice will be kept by Skate Regina and will not be refunded. Fundraising information will be included in some of the weekly update emails from Skate Regina. You can change your mind at any time during the skating season just by participating in on of the fundraisers and replying to the information in the weekly emails.

Thank you for choosing and supporting Skate Regina!
